## At Friends Farm

### ARSONIST WAS SEEN

There is at least one man and one girl in the arson ring which has been setting fires in barns and old homes of Wilmington for the last 18 months.

It was a girl who telephoned in the false alarm, Sunday night, which sent the Wilmington Fire Department trucks out to the Bousefield Farm, at the end of Aldrich Road. The telephone call was made at 7:52 pm.

When the firemen were leaving the station Call Fireman Chuck Moorman remarked that he 'wouldn't put it past them to hit Friends Farm', and when it was learned that the call was false the trucks were turned and raced back to the station.

Meanwhile Philip Parks of Ballardvale Street, another Call Fireman, on his way to the Fire Station, passed the Friends Farmhouse, and noted a shadowy shape crouching near the building.

His neighbor, Wally Phillips, a little later noticed a blaze and called in to the Fire Department. It was 8:20 pm. Mrs Parks also called, at the same time.

Parks, on his way to the Fire Station saw Officer Danny Ballou in a police cruiser, and stopped to tell Ballou of the shadow he had seen near the farmhouse. Ballou started for the Friends Farm area to investigate, but had not reached it before the alarm was sounded.

The old farmhouse, now owned by Monte Green, of Cambridge as a part of the projected New England Stadium, had been tightly sealed up with contractor's plastic at all the windows, and Wilmington firemen say that this threw the arsonist off schedule.

He was not able to break in as quickly as he had evidently thought possible, because of the plastic. It was quite evident that the house was supposed to start burning while all the fire trucks were at the Bousefield farm, more than six miles distant from the site of the attempted arson.

The fire was started in the cellar, in a pile of rags. The cellar stairs were burned, and a part of the first floor stairs, as well as

part of the first floor and walls. The building, though, is still intact.

Ironically, Mr Green had only recently made a request of Fire Chief Arthur Boudreau that the building be burned down, a request that was refused because it is located too close to electric power lines on Ballardvale Street.

### Bender is a Candidate

Lloyd C. Bender, Chairman of the Board of Selectmen, has announced his candidacy for reelection to the Board of Selectmen.

Bender yesterday issued a statement about the Town Crier's error of a week ago, saying 'Contrary to the report of a week ago, I am a candidate for re-election to the Board of Selectmen.'

It is difficult for me to express the various factors which had to be considered before I reached a decision.

The amount of time involved in serving on the Board of Selectmen was a major factor. However, I believe that my experience enables me to serve better than before without any additional loss of time for my business affairs.

The basic reason for my decision is the simple fact that the accomplishments that I want for the town have not been completed. Much remains to be done. I think that my services can help in continuing our progress.

The specific things that remain

### Roger Beaupre heads Chamber of Commerce

Roger Beaupre, of the A. B. Sweezy Company was elected the new president of the Wilmington Chamber of Commerce, in the annual meeting of the Board of Directors, Tuesday.

He succeeds John Robert (Bob) Evans, who had been president for two years.

Don Greer of the J W Greer Division of the Joy Manufacturing Company was elected Vice President.

Re-elected as Treasurer was Bennett Bedell of the Bedell Bros.

to be done will be described in my campaign - as will as those things that have been accomplished.

I am grateful for the past consideration and cooperation of my fellow townspeople, and I hope that I may enjoy it in the future, with their support at the polls in the coming election on March 4th.

Bender has been an active member of the Board since his election three years ago. Recently his fellow board members elected him to represent Wilmington on the Ipswich River Watershed Advisory Commission.

Bender, along with other members of the board, was instrumental in having the original watershed bill killed in committee, in the state legislature. The first bill would have flooded large areas of Wilmington.

Mr Bender is married and the father of three children. He is a past president of the Wilmington Jaycees, and in addition has served as chairman in various charitable fund drives. A decorated veteran of World War II and the Korean conflict, Mr Bender is an insurance broker, and resides at 455 Salem Street, Wilmington.

Insurance Agency, and re-elected as Secretary was Mrs Lillian Woodside, of the Wilmington Centre Pharmacy.

The six new members of the 18 member Board of Directors are Dr. Gerald Davis, Alan Fenton of A&M Fenton; Louis Hallson of the Silver Lake Drugstore; Joe Maffeo of the Middlesex County National Bank, Fred Jackson of The Jackson Brothers; and Capt. Larz Neilson of the Town Crier.

Stanley Webber was reappointed Executive Secretary, for the next year.

### LWV Study of Library

In a recent letter sent to the Board of Library Trustees, School and Town officials, the Wilmington League of Women Voters announced the results of a study voted to be undertaken in May, 1966.

The Consensus was: The League will work to support an increase in the Library facilities of the town, provided that the following criteria are used:

The Building, whether it be old or new, should be planned with the services of a library architect and the American Library Standards should be used as a guide.

A Library Consultant, working in conjunction with the architect, is also desirable. The library should be planned so that it is able to meet the needs of the projected population of at least then next ten years. Adequate off-street parking should be provided.

The League does not wish to im-

### 50 Minutes for Town Meeting

347 voters of the Town of Wilmington readily voted the sum of \$660,000 to add eleven rooms to the Woburn Street School, in a special Town Meeting held Monday night.

The voters were almost impatient, as they listened to John Callan, chairman of the Permanent Building, and Harold Shea, Supt. of Schools, describe the project. It was emphasized by both that it was necessary to have the new rooms available by September of 1967 in order to avoid double ses-

sions.

The second article in the Warrant, asking for authority to borrow money from the Department of Housing and Urban Development, no more than \$30,000, to prepare street and storm drainage plans for the entire town, was just as handily voted.

The money will be repaid to the federal government, Town Engineer Arthur Harding said, only if any actual work was done as a result of the planning.

The meeting was over by 8:50pm.

BOB KASZYNSKI RECEIVES  
US ARMY COMMISSION

Second Lieutenant Robert J. Kaszynski, son of Mr and Mrs Frank Kaszynski of 3 Jones Avenue was recently graduated from the six months Infantry Officer Candidates School, at Fort Benning, Georgia.

Lt. Kaszynski, commissioned in the Adjutant General's Corps, is currently attending a six week Officers Basic Course at Fort Harrison, Indianapolis, Indiana, after which he will be stationed in Germany, accompanied by his wife, Yvette.

He is a 1958 graduate of Wilmington High School, and a 1965 graduate of St. Anselm's College in Manchester, N.H.

### RONALD WOLFF TO RECEIVE BAUSCH & LOMB AWARD

Ronald Wolff, son of Mr and Mrs Ronald Howard Wolff, 564 Woburn Street, a senior at Wilmington High School, has been named to receive the Bausch and Lomb Science Medal, at graduation.

The award is evidence of superior scientific aptitude, and is presented each year to the senior who has the highest scholastic standing in science subjects. Since being first introduced in 1933, 195 thousand medals have been presented. Surveys show that more than 30% of the winners have been encouraged to follow scientific careers.

Winners of this award are eligible to compete for science scholarships at the University of Rochester. Stipends, which are based on need, have a total combined four year value of about \$50,000.

Wolff is active in Cross-Country, Track, Math League, Senior Play and Student Government Day

North Wilmington

After starting the Merrimack Valley hockey season with three fine efforts, the Wilmington High pucksters went into a four game slump, in which they could manage only four goals and found themselves in fifth place, ahead of only hapless Ipswich. However, last Saturday Coach Ken Palm's Wildcats got back on the right track with a 6-0 victory over winless Ipswich. Danny O'Connell, a stand out halfback of the football team, fired home two goals, while brother Leo turned aside every Ipswich bid.

Burlington, with brilliant net-minder Bobby Chisholm, leads the loop, followed by Billerica.

Unfortunately the fate of the 1966-67 basketball Wildcats hasn't been much better than their skating counterparts. Coach Bob Dicey's charges lost two league games last week, dropping their record to one and six.

In the Tuesday encounter the Chelmsford Lions roared past the locals.

Bobby Casello, WHS's deadliest outside shooter since Paul Bova, with nineteen points was the lone bright light in an otherwise dark afternoon.

On Friday night it was nearly a different story at North Andover. Wilmington cut an early Scarlet Knight lead to five points and there it stayed until late in the fourth period when N.A. decided to sit on the ball and freeze out the slim bulge. Wilmington was forced to abandon a containing zone defense to chase the ball and that seemed to play right into the Knights' hands. First place North Andover then broke the contest wide open and won going away 65-52.

Steve Donahue and Len Gustus played their typically steady games in the losing cause.

#### Unreserved:

Now N.F.L. fans can be 'told you sos' to their heart's content. . . . Can't help but think that Jackie Bowen could have been an All-East halfback if he had attended a local college. It seems that his great ball toting ability was wasted at Wyoming, where he has been relegated to defense. Oh well, he can be proud of having played in a bowl game.

That's something that would have never happened if he had chosen B.C. even though the newspapers insist on it before every season for

The Broncos, who haven't lost a game in the first half, led by Tom Beaton's 12 points, defeated the Jets 29 to 3. The Jets couldn't get the ball thru the hoop from the floor. Phil Butler got 3 points from the foul line; for the total score by the Jets.

The game of the day was the Lakers vs the Bullets. The Lakers haven't won a game thus far this year, but it took a foul shot in the last thirty seconds for the Bullets to win this one.

Mike Esposito lead the scoring for the Bullets with 16 points and Danny Ballou led the scoring for the Lakers with help from all his teammates. Every Laker who played scored, and it looks as thou the Lakers are going to become the Spoilers.

## Nosey Nancy

Send your announcements to Nancy, Box 208 Wilmington, or call 657-7141, or 658-4865 after five. If I'm not there, I'll call you.

Thanks to all of the parents who read in the recent papers about the trash in and about Wilmington. Things are improving. Have had several telephone calls about which area I was referring to, and since it is several areas, this makes me believe that you folks are getting on the ball about your own area, as well as quite a few of the merchants who have called. That's the spirit.

I hope that the cards are going out to Barbara Graves. This is a terrible time of the year to be shut in, but I have talked with more of the Girl Scouts who are helping her, and their enthusiasm has not waned.

Mr and Mrs Mel Woodside have returned, brown and happy, from their trip to Florida. They stopped in Hollywood to see Harry Huntley and he wouldn't hear of anything but that they stay over for a day or two.

So they did, for old times sake. While they were there they saw, of course, Peg Cooke, who lives across the street from Harry's house. I understand that the house is just gorgeous, with patio, Florida Room, living room, two bedrooms, two baths and a kitchen.

Harry is taking no busman's holiday. He eats out most of the time. . . and says he'll be up to see us all in the spring.

The Woodsides then continued on to Cypress Gardens where they took in everything, glass bottom boats, water skiing etc. I understand that Lil is quite a girl for those gun fights. . . which must have been something, having two grandsons in town, and having to race back for the gunfights each time they were scheduled. Sounds as though it was an excellent trip, and they both look brown and rested.

Maureen Given and Diane Robichaud had a surprise birthday for Debbie Sevener on Friday the 13th. Debbie was fourteen years old.

Among the guests were Marilyn Reibold, Judi Tanner, Linda Valente, Denise LaVine, Gall Pro-

vensano, Jacki Russo, and of course her sister Gayle Ann. A big surprise for the group was in the latter part of the evening when the Fourth Dimensions dropped in at Maureen's home, where the party was being held.

Their singer, Johnny Given, sang a few hits. . . and I understand that the girls haven't stopped swooning. . . and haven't recovered yet. Larry is a local, at 658-4840, and Junior is out of town, at 354-4401.

All pictures of individuals which are to be submitted to the paper must be of wallet size. That's what the boss says.

The point is that outsize pictures while they look nice, cost more money in printing, and the boss is going to charge \$3.00 for each out-size picture, or each one with color.

It's all in self defense, and I'm sure it will encourage you gals and pals to send in wallet size pictures, when you have something about yourself that's newsworthy. There is, to repeat, no charge for a wallet sized photo.

Johnnie Ritchie, who, when he is not busy at other things is one of Wilmington's Gendarmes, is the coach for the Nashua Colts, up in New Hampshire.

So Guess What! The Colts won the Eastern Seaboard Championship this year, or I think that's the title.

Lee Chisholm, up on Andover Street is the Owner of the Colts. Maybe Lee or someone else will drop us a line, or come to the office, and give us a few more words.

Linda Melander of 142 Church Street is out and about again, after a siege in the hospital. She is just about as bouncy as the proverbial ball. I guess that the hospital trip didn't phase her too much, and she's back in school just full of studies, etc.

And now we are going to have an auction - the good old family kind, where everybody loves to get a seat and watch the auctioneer do his stuff, and sell the bargains.

George Wilson, up in Thrushwood Hall, in No. Wilmington has announced it. Ye scribe is told that it will all be good usable merchandise, and that there is to

be a good time for all - whether buying, or, if you have merchandise to sell - selling.

It will be on January 28th, at 10 am says George. If you want to call him, his number is 658-9368.

Mrs Fay Cantrell, of High St. is a very sick lady, in the Boston City Hospital, and has been having a lot of blood transfusions.

Several ladies have called me in the past twenty four hours, saying that she needed blood badly. One source says that she has received over 100 pints of blood in recent days.

Mrs Harry Johnson, High Street, is one of the ladies who is keeping in touch with the situation. She will be up to date on whether or not more blood is needed.

At the moment there seems to be enough blood on hand, or so I am told.

Yikes! I have forgotten Mrs. Johnsons number - and it's an unlisted one!

So we'll impose on her neighbor, Mrs Donald Andersen of High Street - her number is 658-4201. Call her if you feel like donating, and she can tell Mrs Johnson, or give you the number.

## Jaycees seek 'Outstanding Young Man'

The Wilmington Jaycees are preparing their list of candidates for their 'Outstanding Young Man' award. Annually, with the aim of encouraging enterprise in the community, they select a male resident of Wilmington, between the ages of twenty-one and thirty-five years, whose professional accomplishments and/or civic services merit plaudits.

The candidate then selected is then feted at a banquet sponsored by the Jaycees, at which he is aptly honored by his relatives and friends. He is then entered into the statewide competition, leading to possible national recognition.

In an effort to choose the very best young man this year, the Jay-

cees have decided to solicit the assistance of all the members of the community. They would, therefore, appreciate nominations by local citizenry of such outstanding young men, with if possible.

some elaboration on relative qualifications.

Kindly remit all nominations to Joseph P Beaton Jr., 16 King St. Wilmington. The deadline is Jan. 27, 1967.

## Father & Son serve on Carrier FDR

Fire Control Technician Second Class Robert J. Doyle of Burlington Avenue, and his step-son Seaman Stephen Hulse are one of a very few families that have a father-son relationship in the US Navy. They are both serving in combat duty, on board the Aircraft Carrier Franklin D Roosevelt, off Viet Nam.

Doyle, 36, is a Naval Reservist who volunteered for active duty. Hulse, 21, also volunteered for duty, and followed his father to the famous warship. They spent the Christmas season in the Gulf of Tonkin.

Doyle is shown explaining the functions of a fire control equipment testing machine to his son.

## AVCO Has New Printing Plant

Avco has opened a new printing plant in No. Wilmington, off Waltham Street, exclusively devoted to the printing of publications for the Missile Systems Division in Wilmington and the Lowell Avco plant. 15 tons of presses and other machinery have been moved in the past two weeks from the 201 Lowell Street address to the new plant, which was built for Avco by the Wilmington Development Co.

There are two sections in the Technical Publications section in the new N. Wilmington building - the Printing Section, with presses, camera and bindery services, and the Editorial Services Section which includes Copy Preparation, Documentation Art, and Editorial Support.

Herbert S. Wilson, a resident of Andover, living at 19 Sagamore Drive is the manager of the new building. Two of his principal assistants are Wilmington residents, James Evans of Burt Road, who is Supervisor of Copy Preparation and Norman Johnson of 23 Oak Court, who is in charge of the second shift.

The printing operations take up about 4300 square feet, and are a round the clock operation. The staff of employees is expected to be about 100, when transfers of machinery are completed.

ply that it feels that American Library Association standards need 'be applied 100%, and it is willing to support an 'expandable' library if plans and land area are provided for such an expansion at the outset.

The committee which was set up to assemble background material had meetings on November 15, 16 and 17, in which discussions were held by league members, and at which time all assembled information was presented, and the consensus reached.

The Wilmington LWV offers assistance to any group of persons in their efforts to promote an increase in library facilities, assuming of course that they agree with the above criteria, the LWV has said.

## Letters

Dear Larz:

In order to clear the air about the rumors and allegations which have been circulating about me, I feel that the time has come to speak out.

Like everything of this nature, it starts off as a small innocent thing and it grows out of proportion. The case involved my representing a client in a land damage case.

At the time I was the Veterans Agent, a part time position in which much time is devoted to those who need this aid. In no way are the two related to one another.

This case came to me in March of 1966, but not until November did anybody raise any questions and this was while I was out of town for a week. Upon returning to town I was informed that a question of conflict was raised.

I immediately withdrew from the case and so notified all parties. I did not receive any compensation at any time.

If a conflict exists over these facts then we need not look too far or deep to find others who may also be in questionable conflict. Rumors have come to me from several sources which if allowed to continue would cause embarrassment to me and my family. At that time it did not disturb me because I felt then as I do now that I had done nothing wrong.

It is not my intention to make a big issue out of this but just to state the truth of the situation.

I am somewhat disturbed at not being reappointed Veterans Agent and regret leaving the Planning Board after 8 years of enjoyable service.

These are appointed positions and it is within the province of the appointing authority to make his own appointments. If it was felt that I should have been removed for one reason or another, this was their privilege.

In any town government there will always be an element of opposition and this is a healthy sign, but it should never be used to embarrass or discredit an individual, his home life or his profession.

I sincerely want to thank those who have weighed the facts and have not been quick to judge, and also to thank the press for their courtesy extended to me.

Yours sincerely,  
James F. Banda

Wilmington Jaycees  
January 16, 1967

Dear Larz:

Thank you for the excellent publicity on our 'Battle of the Bands' project. Through the help of many local industries and organizations such as the Town Crier we have again had a successful project; i.e. we didn't lose money.

This achievement (only mildly super) will again place our chapter before the state Jaycee organization as a chapter of 'accomplishment.' We use the word 'accomplishment' loosely, since we have one failing in our group, we usually forget to report our 'successes' and 'achievements' to the parent organization.

Actually, although we build 'leaders of tomorrow' and 'men of the future', we don't really get such a kick out of character building as much as SPENDING the money we make on the projects.

We dissipate the funds in such various and mundane ways as: distributing Thanksgiving dinners at the old age project, giving Christmas gifts to local underprivileged children, running a safety watch on Rte. 93 on Memorial and Labor Day, improving the (often mentioned) Skating Club and facilities, giving a Scholarship to a graduating senior, and extending financial aid to the Pop Warner football team and the Youth Hockey program.

Since we don't make money on them, these last named activities may not be considered 'successful' for the enlightenment of our readers, who may be interested, there was a first place award presented to 'The Moods' of Burlington; a third place award went to a group named 'Just Us' from Stoneham.

One last point to ensure your last statement is true; i.e. 'so everybody is happy'. We did not have an aggregation of 'mini-skirted girls and long-haired boys' (with the possible exception of a few of the band members). We enjoyed playing host to a group of well behaved young adults. We wish to compliment them on their behaviour, their dress, and the way they conducted themselves. It was a pleasure providing this activity for their enjoyment.

Sincerely,  
Robert Jennings,  
President

Reader Jennings must have had his eyes on the bands, instead of the girls.

## Olympics a Third Time?

### Jeanne sets New Records

Jeanne Ashworth, once the darling of the Wilmington skating world and now a resident of Lake Placid New York set two new records last Sunday, in Milwaukee, Wisconsin.

She was skating on the new artificial ice rink in that city, made for Olympic style racing, and took first place in the Women's Speed Skating, against 123 competitors. Jeanne has already represented the US in two Olympics, and is now one-third of her way towards membership in the Olympic Skating Team, which will compete in Grenoble, France, next year.

Jeanne set a new US record for 1000 meters, skating the distance in 1 minute 40.8 seconds. She

also set a new Olympic record for the US, in 1500 meters, doing the distance in 2 minutes 41.0 seconds. Jeanne came in second in the 500 meter distance, and second in the 3000 meter distance.

Since leaving Wilmington Jeanne has been a resident of Lake Placid, and has been teaching school much of the time, out in Oregon for one season. She did not decide to enter the competitions for the coming Olympiad until last September, and then went to New York City to work with a new trainer, for two months, in skating Olympic style.

There are still two meets for Jeanne to enter, one in Flint Michigan, next week, and another, in Milwaukee, in February.
